

Christmas Wreath Workshop

A French-Inspired Holiday Floral Experience

Join us for a festive afternoon at La Provence and create your own French-inspired Christmas wreath in a relaxed and welcoming setting. Led by floral designer Jessica Chou of J'SCA Flowers, in collaboration with JG & B's Garden, this beginner-friendly workshop will guide you through designing and decorating a beautiful holiday wreath using fresh seasonal greenery, textural foliage, pinecones, berries, ribbon, ornaments, and other festive accents.

Each wreath will begin with an 8-inch grapevine base and finish at approximately 22-24 inches, creating a full, layered piece to enjoy throughout the holiday season.

No floral experience is required, and all wreath-making materials and tools are included.
