Family Meal Heating Instructions

Scrambled Eggs a la Française

If you received your Scrambled Eggs a la Française warm from the restaurant and intend on eating it right away:

We suggest heating up individual portions in the microwave briefly if you feel it needs to be hotter. Alternatively, you can heat up the whole pan of Scrambled Eggs a la Française in a 350° oven for 15 minutes.

If you are reheating your Scrambled Eggs a la Française cold from the refrigerator:

1. Preheat the oven to 350°.
2. Place covered pan with Scrambled Eggs a la Française in oven.
3. Bake for 40 minutes or until heated to your desired temperature.
