Family Meal Heating Instructions

Mother's Day: Stuffed Berry French Toast & Bacon and Cheese Frittata

1. Arrange two of your oven racks so that they are evenly spaced inside the oven to allow for good heat dispersion.
2. Preheat your oven to 350°.
3. While the oven is heating, remove the Bacon and Cheese Frittata from the box and place it on an oven-safe baking sheet, loosely cover frittata with foil.
4. In the fully heated oven, place the Stuffed Berry French Toast (covered) on the upper oven rack.
5. Bake for 10 minutes.
6. Add the covered Bacon and Cheese Frittata to the oven on the lower rack.
7. Bake for an additional 20 minutes, or until heated to your desired temperature.
8. Remove the Stuffed Berry French Toast and Bacon and Cheese Frittata from the oven and enjoy.

Creamy Berry Sauce:

During the last 5 minutes of baking time, heat the Creamy Berry Sauce in a microwave-safe dish for 90 seconds at full power. Stir the sauce and heat an additional 45-60 seconds, as needed.

Only need to heat a couple of portions?

We suggest heating up individual portions on microwave-safe plates. For best results, cover loosely before microwaving.
