Family Meal Heating Instructions

Lemon Risotto Cakes & Eggs

1. Preheat your oven to 350°.
2. Loosen the cover of the baking pan to make it easily removable.
3. Place loosely covered baking pan in the oven for 30 minutes.
4. Carefully remove the cover of the baking pan and continue to heat the Risotto Cakes & Eggs in the oven for another 5-10 minutes, or until fully heated.
5. During the last 3 minutes that the Risotto Cakes & Eggs are in the oven, heat the hollandaise in the microwave for 2 to 3 minutes, stirring every 30 seconds.
6. Remove the Risotto Cakes & Eggs from the oven and enjoy with the heated hollandaise sauce.

Only need to heat a couple of portions?

We suggest heating up individual portions on separate microwave-safe plates one at a time.

For best results, cover with plastic wrap, and heat until the meal has reached your desired temperature, about 1½ minutes.
